PHILIPS
AVENT

sense and simplicity

Highlights

4-in-1 sterilizer

Due to its adjustable size, this 4-in-1 sterilizer perfectly fits the items you would like to sterilize and always takes up the least amount of kitchen space. The 4-in-1 functionality gives you: 1) Small size configuration for sterilizing soothers 2) Medium size configuration for sterilizing breast pumps, toddler plates, knives, and forks 3) Large size configuration for sterilizing 6 bottles 4) Integrated dishwasher basket for hassle free pre-cleaning of bottles and accessories

Advanced display

The advanced display keeps you informed throughout the sterilization cycle and lets you know when the bottles are cooled down.

Fits all bottle types

The sterilizer has been designed to fit both wide neck and narrow neck bottles as well as different breast pumps and accessories. This gives you the freedom to choose the bottles and accessories that best suit you and your baby. At full capacity the

sterilizer holds six 11oz / 330ml Philips AVENT bottles.

6 minute cycle & auto shut-off

Your bottles and accessories will be sterilized in just 6 minutes. Once sterilization is complete the device will shut off automatically, ensuring extra safety and less energy consumption.

Kills 99.9% of harmful germs

Sterilizing protects your baby from particularly harmful bacteria until his immune system is strong enough. Philips AVENT Sterilizers use the hospital method of steam sterilization, which is quick, easy, and effective, with no chemicals involved. Contents stay sterile for 24 hours if the lid is unopened.

BPA Free

This sterilizer is made from BPA Free materials
